Email: egarbrecht@franciscanministries.org

By signing below and returning this form to the Foundation, I understand I am accepting the Madonna Foundation scholarship award and the following terms:

- 1) Maintain an acceptable academic, discipline and attendance record at school, demonstrating effort. Students are expected **to maintain at least a C cumulative grade point average throughout the year**. Falling below a C average may result in a mandatory tutoring program. Scholars that fail to attend tutoring or bring grades above a C average may lose their scholarship.
- 2) Attend and participate in all Madonna Scholars' programming throughout the year including scholar workshops and meetings. **Scholars must attend mandatory events**. Each scholar is required to attend events and should plan to spend an average of 5 hours per month dedicated to the Madonna Foundation programming. Two unexcused absences may result in a loss of the scholarship. Conflicts with extracurricular activities are not excused absences and will be counted as an unexcused. An event calendar will be sent out later in the summer.
- 3) Respond to the Madonna Foundation Manager and the Madonna School Liaison in a timely matter. **Scholars and parents are expected to be responsive to the Foundation and the school Liaison, returning phone calls and emails within 48 hours**.

I understand that at the end of the first semester the Foundation will review whether I have lived up to these commitments and may withdraw its financial support for the second semester if I have not fulfilled these commitments. I also understand that in order to be eligible to be a Madonna Scholar for years subsequent to freshman year, I must reapply each spring and must demonstrate that I fulfilled these commitments in the previous academic year. Photographs and video of Madonna events and scholars may be used on the Foundation's social media, the website, or in printed marketing material. The Madonna Foundation shares financial information and academic records with the partnering high schools.

Student Name (Print): _____

Student Phone (circle type: cell/ home) _____

School (for next academic year): _____ Grad Year: _____

Student Signature: _____ Date: _____

Student Email: _____

Parent or Guardian Name (Print): _____

Signature: _____ Date: _____
